

CALL FOR SUBMISSIONS

SEEKING CONTRIBUTIONS FOR NEW *IN MEMORIAM* SECTION

Posted: November 19, 2025

As the field of American art matures, the editors of *Panorama* invite submissions from solo or groups of authors seeking to commemorate a cherished mentor in the field who has recently passed away. We are seeking to be a responsive digital space both for celebration of life and public memory.

Submissions can be individual or collaborative, should not exceed 2000 words, and may include images. In Memoriam is not peer-reviewed, but submissions will go through review by the Executive Editors as well as light copyediting. Accepted submissions will be published on a rolling basis in a special In Memoriam section under *Panorama's* About menu. Comments will be open for others to add their commemorations and remembrances.

To submit to In Memoriam, please use our [online submission portal](#) and consult the guidelines on our [Submissions](#) page.
